

Welcome Address

It is our great pleasure to welcome you to the 31st International Conference of the POLYMER PROCESSING SOCIETY (PPS-31), which will be held at the International Convention Center (ICC) in Jeju, Jeju, Korea during June 7-11, 2015.

The conference is organized by the Korean Society of Rheology. In 1995, the Korean Society of Rheology successfully organized the PPS-11 in Seoul, Korea. Since then the polymer and rheology society in Korea has flourished in academia as well as in industries with remarkable growth in size.

PPS-31 conference will cover all aspects of polymeric materials and their processing characteristics including top-notch research on nano-technology, high-end electronic materials, energy materials, biomaterials, etc. It will be a good opportunity to discuss the recent progress in polymeric materials and processing research.

Furthermore, PPS-31 will provide a special chance to enjoy Jeju Island, the largest island and premier tourist destination in Korea. June is the best season for Jeju sightseeing. Scenic beaches, waterfalls, cliffs and caves will lie in harmony, and excellent weather will accompany you while enjoying beautiful Jeju Island more than ever.

We sincerely hope that you enjoy the conference and sightseeing during your stay in Jeju.

Thank you.

Jae Wook Lee

Sogang University
PPS-31 Organizing Committee Chair

Jin Kon Kim

Pohang University of Science & Technology
PPS-31 Organizing Committee Co-Chair
